

<b>Processor</b>	<b>3.0 GHz Xeon Intel</b>
<b>Memory</b>	<b>4 GB ECC Ram</b>
<b>Hard Disk Drive</b>	<b>160 x 2 GB SATA</b>
<b>Small form factor (5.9" x 13")</b>	<b>Enables double the density over existing ATX boards in a 1U chassis, and adds flexibility to create compact system designs.</b>
<b>Supports the leading processors including Intel's new Dual-Core Intel® Xeon® Processor 3000 Series, based on Intel® Core™ microarchitecture</b>	<b>Delivers world-class performance and superior power efficiency.</b>
<b>Maintains compatibility with other value Intel® processors such as Intel® Pentium® D, Intel® Pentium® 4, and Intel® Celeron® D</b>	<b>Supports a broad range of performance and price points to meets specific application requirements.</b>
<b>Supports Intel® Active Management Technology<sup>1</sup></b>	<b>Supporting basic out-of-band management capabilities.</b>
<b>Dual SATA 3.0 Gbps ports</b>	<b>Fast access to internal storage devices.</b>
<b>Processor Support</b>	<b>Dual-Core Intel® Xeon® Processor 3000 Series Intel® Pentium® D Processor Intel® Pentium® Processor Extreme Edition Intel® Pentium® 4 Processor Intel® Celeron® D Processor</b>
<b>System Bus Speed</b>	<b>1066 / 800 MHz (processor-dependent)</b>
<b>Chipset</b>	<b>Intel® 3000 Chipset</b>
<b>Memory</b>	<b>Four DIMMS supporting up to 8 GB max DDR2 533 / 667 Un-Buffered ECC memory</b>
<b>I/O Expansion</b>	<b>One PCI Express* x8 connector / x8 lane</b>
<b>Integrated Video</b>	<b>ATI* ES1000 with 16 MB onboard memory</b>
<b>Storage</b>	<b>Two SATA 3.0 Gbps ports</b>
<b>LAN</b>	<b>Two Integrated GbE Intel® 82573E / 82573V</b>
<b>Intel® RAID Support</b>	<b>Intel® SATA RAID supports RAID levels 0, 1</b>
<b>Server Management Support</b>	<b>Intel® Active Management Technology (Intel® AMT)<sup>1</sup></b>
<b>Keyboard</b>	<b>Normal keyboard</b>
<b>Mouse</b>	<b>Optical Mouse</b>
<b>Optical Drive</b>	<b>External DVD Writer</b>
